The Cinderella Challenge:

One shoe can change your life.
~ Cinderella

We encourage you to consider making a voluntary donation* to Nikki Haley's campaign that's at least equal to (and hopefully more than) the most amazing pair of shoes you've bought for yourself.

By pooling our "shoe money" together, we can change the lives of everyone in South Carolina by helping to elect Nikki Haley as our next fabulous, fearless, female and REPUBLICAN governor!

*Please make your check payable to:
Haley for Governor
and put it in the shoebox we'll have at the meeting.
